ApplyWeb®

Applicant Portals: Application Processing Services

Secure, Personalized Web Portals

The *ApplyWeb*® Applicant Portals are part of a complete set of web-based tools for managing your entire admissions application process. With Applicant Portals – Checklist and Online Decision – your applicants can check the status of their application materials and view and respond to your admission decisions online. Each portal is fully branded to your campus and hosted by CollegeNET, which means there's no software for you to install or maintain.

Applicant Portals | Benefits

Boost Completion Rates

Checklist enables you to encourage completion of applications by providing applicants with an up-to-date list of tasks remaining in their application process, and it automatically sends email notifications of any missing materials. It's the self-help tool that supports completion and saves administrative time.

Streamlined Decisions Process

The admissions decision process has never been so easy! With the Online Decision Applicant Portal, you can provide applicants with secure online access to your admissions decision. Online Decision allows applicants to instantly respond to your offer and submit their deposits online!

Go Green and Save

Applicant Portal helps you reduce your costs and your carbon footprint! Checklist and Online Decision replace piles of paperwork with organized, accessible data, and instant online communications make all the costs and delays associated with mailing decision letters a thing of the past.
